展览现场 Exhibition View

In this exhibition, a total of 224 works of art by 53 artists from 6 countries are on display, covering a variety of art forms such as painting and sculpture, taking into account classic inheritance and contemporary innovation. These works show the unique creative perspective and emotional expression of artists from all over the world, and also break the boundaries of geography and culture, allowing the audience to broaden their artistic horizons and feel the charm of cross-cultural collision while enjoying the masterpieces of new art at close range. They truly practice the exhibition theme of "new horizons for the new audience", for Chinese and foreign art the art exchange has injected new vitality.
